Looking Back Can Be Helpful

Sometimes a quick look at past bills shows patterns you might miss when focusing on just one month.

See if You're Saving

Are the changes you're making to your energy use adding up to savings under your new billing plan? Select a billing cycle to compare your new plan's charges to what you would be charged if you were still under your previous rate.

If you're not saving under your new billing plan, try staggering your use of large appliances.
